

May 2 & 3, 2009

For full walk listings visit
www.janeswalk.net

Get out and explore your city and meet your neighbours. Jane's Walk is a street-level celebration of urbanist and author Jane Jacobs ideas about cities, sustainability, diversity and walkability. All walking tours are free and are led by volunteers who care and connect with the places they live and work. Your thoughts and stories are welcome - it's a walking conversation. All tours go - rain or shine.
